

An Urgent Invitation
Dun Laoghaire Musical & Dramatic Society warmly invite you to become a
Friend of DMDS 2014-2015

DMDS is always grateful for and dependent on the assistance and encouragement of our wide circle of supporters. The cost of presenting a quality show is significant and normally well exceeds show income. By becoming a "Friend of DMDS" you proactively help us to play our part in enhancing the local Performing Arts and in extending the goodwill enjoyed between DMDS and our vibrant community of theatre and music lovers. We hope you will give serious consideration to becoming a "Friend of DMDS" for the current season.

The Friends contribution for this season is still €30, though we are obviously delighted to receive larger amounts should you wish! Please note that this does not include an entitlement to tickets for shows which should be booked in the normal way. Unless specifically requested otherwise, we like to thank all Friends by name in the programmes of our shows. Your contact details and amount donated will NOT appear on the programme.

To become a Friend, please return your details as soon as possible to me, indicating your preferred method of payment. *Please try to contact me this week (by Saturday February 21st) to ensure your name can be included on the programme. Names received after that date can be included only if the programme has not yet gone to print.* I apologise for the late issue of this request and trust it will not affect your willingness to become a Friend. Derek.
